SEAN HASLAM, M.D., F.R.C.S.C.

Orthopedic Surgery

LAN HUA, M.D.

Hand/Elbow Surgery

Whether suffering from pain caused by injury, illness, or nagging joint problems, it's comforting to know relief is just an appointment away. Drs. Sean Haslam and Lan Hua provide comprehensive care of a wide variety of orthopedic issues, from diagnosis through recovery. The physicians and staff at Texas Orthopedic Partners understand each patient's individual situation and strive to return them to health and their daily lives as soon as possible, the right way.

Dr. Haslam earned his M.D. from the University of Calgary and completed his residency at Queens University. He completed fellowships in orthopedic sports medicine and hip and knee arthroplasty. He specializes in joint replacement and arthroscopic surgery of the shoulder, hip, knee, and rotator cuff, as well as treatment of meniscal and ACL tears, total knee replacement, and pediatric sports injuries.

Dr. Hua earned her M.D. at University of Rochester School of Medicine and Dentistry. She is a board-certified plastic and reconstructive surgeon. In addition, she did her fellowship in hand and microsurgery with the UCLA department of orthopedic surgery. She specializes in simple and complex hand surgery and treats a wide variety of hand and elbow conditions ranging from arthritis and carpal tunnel syndrome to nerve injuries, sprains, and fractures.
